The Majlis ul Ulamaa of Australia are pleased to announce that the following Ulamaa from various states of Australia (including Victoria, Queensland, Western Australia, Darwin and New South Wales) have decided that all Islamic lunar months will be observed by local moonsighting. These include the commencement of Ramadan, Eid-ul-Fitr, and Eid-ul-Adhā.

Be it known that there is no connection between Eid-ul-Adhaa and Hajj. Hence, the sighting of Eid-ul-Adhā will be subject to local moonsighting.
